Recommendation – Approve a project ordinance amendment in the amount of \$5,010,000 for the Fleming Loop Park Project. ii. Reject the low bid of Daniels and Daniels Construction Company in accordance with NCGS §143-129 and the determination by the Town Board that the company does not meet the “responsible bidder” standard set forth under NCGS §143-129 and applicable law. In making this determination, the Town Board has considered numerous factors regarding the Company’s prior performance under the Arts Center contract that include, but are not limited to, scheduling problems; late, incorrect and or incomplete submittals; delay issues; subcontractor management issues; and issues related to site safety and management. In addition to the aforementioned, the Board finds that awarding the contract to Resolute to be in the best interest of the Town and the citizens for the following additional reasons: 1. The Board has considered: (i) the ability of all bidders to perform the contract and prosecute the work in a timely and efficient manner, (ii) whether bidder’s possess sufficient staff to perform not only the construction work but also all ancillary administrative work in a timely and efficient manner, and (iii) the skill and judgment of the bidders in performing the work. 2. The Board has considered the prior work product of all bidders. 3. That this project involves facilities that affect programming such as youth athletics and event programming such as the WRAL Balloon Festival, to which the Town has contractual obligations. These are time sensitive services offered to the citizens and project delays must be avoided. 4. The commencement and diligent pursuit of all work in view of public money being spent in conjunction with the requirements associated with \$1,000,000 in grant funds from PARTF and the Wake County Hotel/Motel/Food/Beverage Tax. iii. Award the Fleming Loop Park Project construction contract to Resolute Building Company in the amount of \$3,948,300.
