Get Ready for Construction

Good news! The following transportation projects are moving toward construction:

A construction contract for the Sunset Lake/Purfoy/Main intersection has been awarded to S.T. Wooten with construction to be completed by year end. Sunset Lake/Purfoy/Main Intersection improvements include:

- Modifications on Purfoy Road to allow for removal of the cones providing full functionality of the 2nd left turn lane which will also improve traffic flow on the existing thru lane.
- The Sunset Lake Road approach will include 2 dedicated left turn lanes, a dedicated thru lane and a right turn lane.
- Removal of the concrete island north of the railroad on Sunset Lake Road to allow better access to the southbound dual left turn lane as well as increased stacking of the left turn lane on to Broad Street.
- Pedestrian crossings and signals at the intersection will be restored.

The lane widening project at the Judd Pkwy/Main Street intersection has completed right-of-way certification and the Town expects to get construction authorization from the Federal Highway Administration within the next 30 days. What does this mean? The Town will seek construction bids on the Judd/Main intersection in early October with actual construction to begin in early 2018 after completion of the Sunset Lake/Purfoy/Main project.

Both intersection improvements are funded by a \$21 million transportation bond approved by voters in November 2015 and LAPP grant funding secured by the Town of Fuquay-Varina.

During construction, anticipate traffic delays in both areas. Every effort will be made to minimize impacts. Keep up to date with transportation improvements at www.fuquay-varina.org/traffic.

National Awards

The Fuquay-Varina State of the Town Address is receiving national accolades. The video won a Savvy Award at the National City-County Communications & Marketing Conference and a Silver Award at the International Economic Development Council Excellence in Economic Development Awards. The six-minute video utilizes motion graphics to convey accomplishments from 2016 and has been viewed more than 21,000 times on social media.

Lock Car Doors To Prevent Theft

One of the easiest ways to protect your automobile from theft, is to lock the door. It really is that simple. Unlocked car doors are an invitation to criminals. In recent weeks, several Fuquay-Varina subdivisions have been the target of "car hopping" which means criminals check for unlocked car doors, quickly search the vehicle for money, purses, cell phones, wallets and other valuables and then move onto the next car. These criminals aren't looking to break car windows, they are looking for easy entry and quick loot. We really can't say it enough: Lock car doors EVERY TIME you exit the car to prevent theft of your car or valuables.

Food Truck Rodeo Sun., Oct. 29

What's better than a good old-fashioned Sunday dinner? A food truck rodeo! Join us for the Downtown Fuquay-Varina

Food Truck rodeo, a modern twist on the traditional Sunday dinner, with more variety, delicious food and less work! Bring the whole crew to the first Downtown Fuquay-Varina Food Truck Rodeo on Sunday, October 29 from 1-4 pm. Enjoy live music, kids' activities and food trucks at 405 Broad Street. Local beer trucks will also be on site.

New Town Signs

The Town began the process of installing new facility and park signs in late summer and will continue the effort through the fall. Look for new gateway signs at town entry points by the end of year! The new signs are easier to read, reflective and coordinate nicely with the Town's new brand, rolled out in 2016.
