Mission

To provide diverse recreational opportunities and facilities that enhance social development and community well-being through welcoming parks, public spaces, facilities, organized activities, cultural resources, and special events.

Vision

Participation in youth sports provides children with an opportunity to gain many valuable life skills and develop an appreciation for physical fitness, all of which can lead to a lifetime of healthy activity.

This can only occur, though, when organized sports programs are designed and administered to ensure a safe, positive, fair and fun environment for everyone.

Philosophy

- Provide a safe and positive environment for youth to participate in sports programs.
- Provide each child with the opportunity to play regardless of skill level.
- Teach participants the skills and fundamentals of the sport they are participating in.
- Encourage sportsmanship, team-play and leadership
- Winning is *not* the ultimate goal; giving your best effort and displaying sportsmanship no matter the outcome is! Losing is not failure, it's a chance to learn and develop your skills and character.

I. General Information

- a. The Town of Fuquay-Varina's soccer league administered through the FVPRCRD will focus on providing a recreational, fun, safe option for players to learn and enjoy the sport of soccer. Good sportsmanship and skill development should be the main goal of all coaches. Winning is secondary to having fun and learning the game.
- b. All rule interpretations will be administered by the Fuquay-Varina Parks, Recreation & Cultural Resources Department (FVPRCRD).
- c. All team activities must be supervised by an approved head or assistant coach.
- d. No unsanctioned activities are permitted. Unsanctioned activities include practices held away from town owned/leased property; practices/activities held outside of the team's schedule provided by FVPRCRD.
- e. All who wish to participate in Fuquay-Varina Parks, Recreation and Cultural Resources Athletic Programs must register and pay the registration fee prior to being assigned a team and participating in the program. Any game that a non-registered player participates in will be ruled a forfeit and the coach may be suspended or subject to removal from the league.

II. Coaches and Assistant Coaches

- a. No team shall have more than three (3) coaches. They are designated as Head Coach and two (2) Assistant Coaches.
- b. Head coach appointments are to be made by the FVPRCRD for one (1) season. All coaches will be evaluated following each season. This evaluation will be used to determine whether or not he/she will be invited back to represent a team in the future.
- c. All coaches are required to submit a formal application and background check. The background checks are subject to approval of the Parks, Recreation & Cultural Resources Department.
- d. All Assistant Coaches may be selected by the Head Coach after the teams have been determined, pending approval of the Recreation Department. Assistant Coaches must submit a formal application and background check.
- e. All coaches must understand and agree to carry out the duties, responsibilities, policies, and philosophies as established by the Town of Fuquay-Varina Parks, Recreation & Cultural Resources Department. All coaches must be approved by the FVPRCRD. Any coach not carrying out these duties and responsibilities will be subject to dismissal.
- f. Head Coaches are required to hold a preseason parent meeting to discuss rules, conduct, responsibilities, etc.
- g. Coaches should always keep in mind they are setting examples in sportsmanship and fair play and should always conduct themselves accordingly.
- h. Only the Head Coach and their Assistants will be allowed on the bench during the playing of an official game.
- i. Only the head coach may confer with officials during the play of a regulation game. Any assistant coaches who approach an official during play may be removed from the game.
- j. Coaches are responsible for reporting players who have dropped from their team. If a spot opens FVPRCRD will fill the opening with the next player available on the wait list. If no players are on the waitlist the roster spot will remain open.
- k. All coaches must wear their FVPRCRD issued coaches shirts and wristbands to all team activities. No coach will be permitted in the bench area that is not in uniform.
- l. Coaches are responsible for leaving the bench area clean after their game. Please pick up any trash, equipment or items before leaving.

- m. Coaches must remain in their team’s designated area during play. Assistant coaches must remain on the bench during play.

III. Communication

- a. **24 HOUR RULE:** Parents sometimes disagree with a coach’s decision or coaching style, especially when it involves their child. Parents must understand that the coach does not represent a player, but the entire team and must make decisions from the team perspective first and foremost. For parents, it is important to separate their child’s sports development from game emotions. For this reason, we have adopted the “24 HOUR RULE,” which simply states that the coach will not discuss game situations until at least 24 hours after the game. This rule helps to move the discussion away from the presence of the players and allows all parties to have time to put things in perspective and cool off if necessary. This rule also applies to coaches and parents contacting the recreation department.

VI. Player Draft

The vision of the Town of Fuquay-Varina's Sports division is to provide fair programming where fun, safety, sportsmanship and teamwork are emphasized. In an effort to provide balanced teams, the Recreation Department has established draft rules. All coaches must agree to follow the listed draft format and agree to be honest, fair and act in good faith to provide the best experience for all players and families. Coaches may not collude, conspire or attempt to manipulate the draft in order to benefit themselves or a small group of individuals.

- a. **CONFIDENTIAL:** The Draft, including Skills Evaluation results, player draft order and trades, is kept completely confidential. Each individual attending the draft is responsible for maintaining confidentiality of the draft and draft materials.
- b. **ADMINISTRATION:** The player draft shall take place following player assessments. The Athletic Program Administrator, or designated staff, will supervise the placement. Fall only: The recreation department will have the master list of returning players and players that have opted out of their previous season's team. The selection (opt in or out) that the parent makes at the time of registration is final and cannot be changed in the draft room.
- c. **NON-GRADED PLAYERS:** Players who do not have skills evaluation grades will not be drafted and will be randomly assigned after all eligible players have been picked. Players that have an evaluation grade from the most recent prior season may be placed in the draft using that seasons evaluation information. Draft will continue until all rosters are full.
- d. **DRAFT ORDER:** Draft order shall be determined by draw. Draft format will be a snake draft. Draft picks will be selected by grade range. Coaches must select a player from the designated grade range if available. Once all players have been selected from that grade range the draft will continue to follow the snake moving

on to the next grade range of players. (Example, all A players must be selected before moving on to draft B players, etc...)

- e. **COACH/CHILD SELECTIONS:** Head Coaches with children will select their child(ren) as their first pick of their child's qualifying round. Coaches with multiple children in the same division will select the first child as listed above. The second child and subsequent children will be selected first in their qualifying round. If the children are listed in the same qualifying round, they will be consecutive picks. See selecting siblings below.
 - i. Head Coaches whose child(ren) does not attend evaluations will be required to select his/her child with their first pick in the draft.
- f. **SIBLINGS:** Brothers and sisters in the same age group will be placed on the same team. Coaches who select siblings will select the first sibling in their qualifying round and the second sibling with the first pick of the second child's qualifying round. If both siblings are listed in the same qualifying round, they will be consecutive picks. (Example – sibling 1 is rated an A and sibling 2 is rated a B. The coach will select the first sibling 1 in the A round and sibling 2 will be the coach's first pick in the B round. If siblings 1 and 2 are both A players; when the coach selects sibling 1, sibling 2 will be the coach's automatic next pick.)
- g. **AVAILABILITY:** Coaches shall not pass up a player selection choice as long as selections are available to fill vacant positions.
- h. **PLAYER REQUESTS:** All player requests will not be considered in the draft unless there is a special circumstance that has been submitted to the Athletic Program Administrator prior to the draft.
- i. **TIME:** Coaches have one (1) minute to make their selection. Once one (1) minute has passed and a selection has not been made, the Athletic Program Administrator or designated staff member will assign a player from the current round to the coach's team.
- j. **TRADES:** At the conclusion of the draft, the draft administrator will open the floor to player trades. All trades must be finalized before coaches leave the draft room. Once the coaches leave the draft room, rosters are final. All trades must be approved by the Athletic Program Administrator or designated staff member. A player must be traded for another player with the same skill level grade (example; an A player cannot be traded for a C player). Coaches may make no more than two (2) trades. Players who do not have a draft grade are not eligible for trade. Any further changes made after the draft must be requested in writing and receive special approval from the draft administrator.
