Mission

To provide diverse recreational opportunities and facilities that enhance social development and community well-being through welcoming parks, public spaces, facilities, organized activities, cultural resources, and special events.

Vision

Participation in youth sports provides children with an opportunity to gain many valuable life skills and develop an appreciation for physical fitness, all of which can lead to a lifetime of healthy activity.

This can only occur, though, when organized sports programs are designed and administered to ensure a safe, positive, fair and fun environment for everyone.

Philosophy

- Provide a safe and positive environment for youth to participate in sports programs.
- Provide each child with the opportunity to play regardless of skill level.
- Teach participants the skills and fundamentals of the sport they are participating in.
- Encourage sportsmanship, team-play and leadership
- Winning is *not* the ultimate goal; giving your best effort and displaying sportsmanship no matter the outcome is! Losing is not failure, it's a chance to learn and develop your skills and character.

- l. Coaches are responsible for leaving the field area clean after their game. Please pick up any trash, equipment or items before leaving.
- m. Coaches must remain on the sideline unless the age specific rules state otherwise.

III. Communication

- a. **24 HOUR RULE:** Parents sometimes disagree with a coach’s decision or coaching style, especially when it involves their child. Parents must understand that the coach does not represent a player, but the entire team and must make decisions from the team perspective first and foremost. For parents, it is important to separate their child’s sports development from game emotions. For this reason, we have adopted the “24 HOUR RULE,” which simply states that the coach will not discuss game situations until at least 24 hours after the game. This rule helps to move the discussion away from the presence of the players and allows all parties to have time to put things in perspective and cool off if necessary. This rule also applies to coaches and parents contacting the recreation department.

VI. Player Draft

The vision of the Town of Fuquay-Varina's Sports division is to provide fair programming where fun, safety, sportsmanship and teamwork are emphasized. In an effort to provide balanced teams, the Recreation Department has established draft rules. All coaches must agree to follow the listed draft format and agree to be honest, fair and act in good faith to provide the best experience for all players and families. Coaches may not collude, conspire or attempt to manipulate the draft in order to benefit themselves or a small group of individuals.

- a. **CONFIDENTIAL:** The Draft, including Skills Evaluation results, player draft order and trades, is kept completely confidential. Each individual attending the draft is responsible for maintaining confidentiality of the draft and draft materials.
- b. **ADMINISTRATION:** The player draft shall take place following player assessments. The Athletic Program Administrator, or designated staff, will supervise the placement.
- c. **NON-GRADED PLAYERS:** Players who do not have skills evaluation grades will not be drafted and will be assigned at random after all eligible players have been drafted. These players will be placed on a team by the Athletic Program Administrator or designated staff. Draft will continue until all rosters are full.
- d. **DRAFT ORDER:** Draft order shall be determined by draw; **Draft format will be a snake draft.** Draft picks will be selected by grade range. Coaches must select a player from the designated grade range if available. Once all players have been selected from that grade range the draft will continue to follow the snake moving on to the next grade range of players. (Example, all A players must be selected before moving on to draft B players, etc...)

- e. **COACH/CHILD SELECTIONS:** Head Coaches with children will select their child(ren) as their first pick of their child's qualifying round. Coaches with multiple children in the same division will select the first child as listed above. The second child and subsequent children will be selected first in their qualifying round. If the children are listed in the same qualifying round, they will be consecutive picks. See selecting siblings below.
 - i. Head Coaches whose child(ren) does not have an evaluation grade will be required to select his/her child with their first pick in the draft.
- f. **SIBLINGS:** Brothers and sisters in the same age group will be placed on the same team. Coaches who select siblings will select the first sibling in their qualifying round and the second sibling with the first pick of the second child's qualifying round. If both siblings are listed in the same qualifying round, they will be consecutive picks. (Example – sibling 1 is rated an A and sibling 2 is rated a B. The coach will select the first sibling 1 in the A round and sibling 2 will be the coach's first pick in the B round. If siblings 1 and 2 are both A players; when the coach selects sibling 1, sibling 2 will be the coach's automatic next pick.)
- g. **AVAILABILITY:** Coaches shall not pass up a player selection choice as long as selections are available to fill vacant positions.
- h. **PLAYER REQUESTS:** All player requests will not be considered in the draft unless there is a special circumstance that has been submitted to the Athletic Program Administrator prior to the draft. Any children that must be paired together for transportation purposes will be drafted in the same manner as siblings (see selecting siblings in rule F).
- i. **TIME:** Coaches have one (1) minute to make their selection. Once one (1) minute has passed and a selection has not been made, the Athletic Program Administrator or designated staff member will assign a player from the current round to the coach's team.
- j. **TRADES:** At the conclusion of the draft, the draft administrator will open the floor to player trades. All trades must be finalized before coaches leave the draft room. Once the coaches leave the draft room, rosters are final. All trades must be approved by the Draft administrator or designated staff member. A player must be traded for another player with the same skill level grade (example; an A player cannot be traded for a C player). Coaches may make no more than two (2) trades. Players who do not have a draft grade are not eligible for trade. Any further changes made after the draft must be requested in writing and receive special approval from the Athletic Program Administrator.

VII. Playing Rules

a. All Divisions

- i. Field size will be 80yds by 30yds.
- ii. Games will consist of 2-25-minute halves with a 5-minute half time. A five-minute half time will begin at the 25-minute mark.
 1. **Regular Season:** If at the end of the regulation clock the game is tied, said game will be recorded as a tie. If the game is suspended at or after halftime, the game will be considered complete. If the game is suspended prior to halftime, it will be restarted from the beginning.
 2. **Playoffs:** If the game is suspended at any time, it will be restarted from where it was left off. If at the end of the regulation clock the game is tied, teams will play a college style overtime until a winner is reached following the rules below:
 - a. Each period consists of one possession for each team, the order of which is decided by a pre-overtime coin toss.
 - b. Each possession starts at the defenses 20-yard line and teams will have 4 downs in which to advance the ball into the endzone. Teams may then elect to go for a 1- or 2-point conversion.
 - c. If the game is still tied at the end of an overtime period, subsequent overtime periods will be played until a winner is reached.
 - d. After each period, the order of possession flips. If you had the ball first in one period, you have it second in the next.
 - e. Starting in the third period, teams can no longer attempt a 1-point conversion and must attempt a 2-point conversion.
- iii. Each team will have one, one (1) minute time out per half.
- iv. Games must be played with a minimum number of players. Any team that does not have the minimum number of players required to play will forfeit the game. If this occurs, we encourage teams to share players in order to scrimmage. If a team drops below the minimum number of players once the game has started due to injury or ejection, the game may continue.
- v. 6U-12U - 3 players minimum must line up on the line of scrimmage; 3 players maximum allowed in the backfield.
- vi. Every child must play at least half of every game. Coaches who do not meet their minimum playing time requirements will receive a warning for the 1st offense and suspended for three (3) games for any subsequent

offenses. More than 2 violations of playing time minimums may result in expulsion from the program.

- vii. Player substitutions may be made at any dead ball. Any number of players may be substituted.
- viii. If a player is hurt during a play, the player must leave the field for at least 1 play.
- ix. The quarterback is eligible to advance the ball.
- x. All games will be with a minimum of one (1) official.

1. Starting the Game

- a. The game begins with a coin toss. A coach and two players from each team will meet in the center of the field with the official for the coin toss. Visiting team calls. At the start of the second half, the team which did not start the game with the ball will begin the 2nd half with the ball. The ball is placed at the 10-yard line to start the game.
- b. Each team will have four downs to advance the ball into the next zone or score a touchdown.
- c. Once the teams enter the next zone, a new series of downs begins.
- d. If a team fails to advance the ball into the next zone, they lose possession. The opposing team takes over at the point of the dead ball and begins its series of downs.
- e. At the conclusion of each down, the ball will be placed where the play ends, between the hash marks.

2. Dead Ball

- a. The ball will be considered dead and the play over under the following conditions:
 - i. Flag pull (the whole belt will be pulled off).
 - ii. Player steps or lands out of bounds.
 - iii. The flag belt falls off the ball carriers' belt.
 - iv. Ball contacts the ground for any reason (ball is spotted where it hits the ground).
 - v. Offside on a defensive player or false start on the offense (does not result in a loss of down).

3. Defense

- a. The defense is to stand at least three yards off the ball.
- b. Defense cannot line directly over the center.
- c. Stripping the ball from an offensive player is not allowed. Players must pull flags only.
- d. All players must stand in a 2-point stance, 3 point stance not allowed (for safety reasons).

- e. Diving and tackling is not permissible in attempts to pull a flag. No player should leave their feet; either as an attempt to pull flags or as a ball carrier avoiding having flags pulled. Block with soft hands.
- f. If a flag is pulled, the ball will be spotted where the runner's feet were at the time of the flag pull, not where the ball is.
- g. Defensive rushers must avoid contact with offensive players (blockers). Rushers may not use their hands/arms to shove or move offensive players.

4. **Offense**

- a. The offensive team must form a huddle away from the line of scrimmage between each play. No type of "hurry-up" offensive is permitted. The defense is not required to huddle and should be ready for play before the offensive team snaps the ball.
- b. The ball must be snapped between the center's legs; not off to one side or in any other manner.
- c. Center Snap
 - i. The ball must be snapped to the Quarterback between the center's legs and without touching the ground. Should the ball touch the ground, it shall be declared dead at the spot of the ball touching the ground.
 - ii. A false movement of the football by the center after he is set shall constitute a false start. At all times the ball shall be snapped from the center of the field or the spot marked by the official ball marker.
 - iii. Direct Snaps are legal; but there must be a clear and immediate exchange of the ball between the center and the quarterback.
 - iv. No center sneaks
 - v. Shotgun is allowed if ball can remain in motion to continue play.
- d. If the ball is intercepted the play will continue.
- e. Teams will start with the ball on their own 10-yard line. They will have 4 downs to reach the next zone. Zones will be marked on the field every 20 yards (20-yard line, 40-yard line, 20 yard line). Once a team reaches the next zone, they will have 4 more downs to reach the next zone.
- f. All players are eligible receivers.
- g. Offensively, a player can dive to make a catch, however, they may not dive to avoid having their flag pulled. If they

do dive and make a catch, they will be marked down at the spot of the catch.

- h. Quarterbacks may advance the ball. Once the quarterback has crossed the line of scrimmage, any defensive player may pursue the quarterback. If the ball is down at or within the 3 yard line of the defending teams goal line the quarterback is ineligible to rush the ball.
- i. Screen blocking is allowed. Offensive linemen must have their hands holding the front of their shirt with their elbows down when blocking a rushing defensive player.
- j. Blockers can move their feet to stay in front of rushers. Blockers should only move sideways or backward. They may not extend their arms to push off the rusher. Once the ball is past the line of scrimmage, no blocking is allowed, and the defensive players should always have the right of way to the offensive player's flag belt.
- k. Once the ball has been marked/blown "ready for play" the offense will have 40 seconds to snap the ball.

5. Rough Play

- a. Flag is non-contact and intentional blocking, or unsportsmanlike contact will not be allowed. Incidental contact is common and unavoidable. It will be the responsibility of all coaches to monitor and regulate their own players in regard to rough play. Coaches should exercise good judgment on dealing with rough play, according to fairness and sportsmanship. Teaching should take precedent over penalty assessment concerning roughing. Children may be asked to sit a game out if they engage in rough play after being warned by a coach or official.
- b. Any issues concerning rough play, unsportsmanlike conduct or rule violations during a game should be reported to the Athletic Programs Supervisor as soon as possible. The Town retains the right to resolve issues to maintain fairness and integrity to the game process.

- b. All other games will start at the regular scheduled game time or immediately following the previous game.

At this point on-field coaches are no longer allowed to talk or communicate to the players and must not interfere with player progress. **Penalty:** 1st offense is a warning; all subsequent offenses will result in a 10 yard unsportsmanlike penalty on the coach and he/she must leave the field.
