Town Awarded Certificate of Achievement Excellence in Financial Reporting

The Town of Fuquay-Varina is pleased to announce that the Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to **Town of Fuquay-Varina** for its annual comprehensive financial report for the fiscal year ended June 30, 2021. The report has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the report.

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

"The Town has received this honor every year since 2014," said Mayor Blake Massengill. "Our Finance Department does an excellent job of ensuring internal controls are in place and they work with independent auditors every year to prepare an outstanding report consistently. I also have to express appreciation to the Town Board for their continued support and leadership in planning and conducting the financial activities of the Town in a responsible manner."
